

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 2

January 23, 2023

SUMMARY OF BILL: Removes the termination date for limitations on claims against a person for loss, damage, injury, or death arising from COVID-19.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Under current law, certain provisions of the *Tennessee COVID-19 Recovery Act* which provide immunity from civil liability for loss, damages, injury, or death arising from COVID-19 are set to expire on July 1, 2023.
- The proposed legislation would remove the termination date and permanently extend the limitations on claims at their current level.
- It cannot be reasonably determined if any or how many claims against a state or local governmental entity related to coronavirus would be filed were the limitations on liability not extended by this legislation.
- The proposed legislation will not significantly impact courts' caseloads.
- Any fiscal impact to state or local government is estimated to be not significant.
